Page 4:

1-3 Proposal Submission

The Proposer will submit one (1) original proposal with the originals of all the required paperwork along with five (5) hard copies of the proposal and the required paperwork. Fax copies will not be accepted. Oversize pages used for drawings or similar purposes are permitted. Each proposal, complete with the appropriate paperwork, will be bound together with the required RFP Cover Page and Proposer Checklist (Attachment A) included. The sealed package/envelope containing the proposal must be clearly marked with the words **Solar**. Proposers shall complete the Price Proposal form (Attachment B) and other applicable paperwork.

Please **DISREGARD** page 9, under section 1-17 Proposal Requirements
