ADDENDUM NO.1 “TIRE LEASE INVITATION FOR BID NO. 17-18-005”

Invitation for Bid: Clarifications and Approved Equals:

1. Throughout the entire specification, all references to laws, codes, requirements, and/or regulations pertain to applicable laws, applicable codes, applicable requirements, and/or applicable regulations, as the case may be.
2. LCTA confirms all access to documents and information hereunder will be reasonable access. LCTA will use reasonable efforts to preserve the confidentiality of documents and information submitted hereunder to the extent permitted by applicable law.
3. Page 14 of 55. General Terms and Conditions. 12.A. Nondiscrimination. This Federal Clause is included as a certification on page 36. LCTA confirms this clause on pg.14 as a duplication of required Federal Clause certification on page 36.
4. Page 14&15 of 55. General Terms and Conditions. 12.B. Disadvantaged Business Enterprise. This Federal Clause is included as a certification on page 37. LCTA confirms this clause on pg.14&15 as a duplication of required Federal Clause certification on page 37.
5. Page 16 of 55. Specifications. 3. General Specifications. LCTA accepts the B305/85R22.5 Metro Miler G652 RTB LR-J as an approved equal to the 12R22.5.
6. Page 20 of 55. Specifications. 17. Service. Confirming the electrical requirements of the Coats Hit-6000 (120 volt / single phase).
7. Page 48 of 55. Attachment II. The 12R22.5/305/85R22.5 and 275/70R22.5 sizes are offered as transit tires as defined in the IFB. However, the 255/70R22.5 is generally made as a commercial truck tire for trolley type vehicles. LCTA confirms the acceptance of a 255/70R22.5 truck tire.
