Atty. Blazosek noted for the record that we have a quorum present. He explained that this is a public hearing to announce the program of projects. Atty. Blazosek said each year the Authority seeks funding for various improvements or projects that are considered of a capital nature. He stated we are required to give the public an opportunity to know what we are seeking in terms of funding and what projects we are hoping to get funded in order to fulfill the needs of the Authority.

Ms. Bednarek stated that the projects include ADA non-fixed route paratransit, computer hardware and software including route planning software, fare equipment, preventative maintenance, tire lease, safety and security, fare equipment and purchase signage. She said the public comment period will be open until June 30th.

Atty. Blazosek asked if anyone had any comments or questions, hearing none he presented the following motion:

Motion to approve the Program of Projects for the fiscal year 2026-2027. A motion was made by Mr. Cefalo and seconded by Mr. Alshefski. All members present voted yes; motion carried.

Atty. Blazosek then concluded the meeting.

Respectfully Submitted,

BY: Tracy Kline, Secretary to the Board
