

**NOTICE OF REQUEST FOR COMMENTS &
NOTICE OF PUBLIC HEARING ON THE
LCTA 2024 PROGRAM OF PROJECTS**

The Luzerne County Transportation Authority will hold a public hearing in the LCTA’s Meeting Room 300 South Pennsylvania Avenue, Wilkes-Barre, PA on Tuesday, November 26th, 2024, at 4:00 PM. At this meeting, a proposal for a Program of Projects (POP) and a request for financial assistance under the Federal Transportation Act of 1964, as amended, will be considered. Prior to the hearing, the POP will be available for review at the above address from 9:00 AM to 5:00 PM, Monday through Friday and online at www.lctabus.com. The public comment period is open from 11/12/2024 until 11/26/2024.

This funding project is for: Solar Energy Upgrades, Solar Lighted Stops and Fare Equipment. The term of the project is July 1st, 2024 to June 30th 2025 with funds secured from FTA Section(s) 5307 (including a flex from FHWA CRPU) and 5339. Activity will take place entirely within the LCTA service area. The projects listed here constitute the final Program of Projects unless otherwise amended.

Project Description FY 2024-25	Participating Agency	Total Cost	Non- Federal Share	Federal Share
Solar Energy Upgrades	LCTA	\$158,295	\$31,659	\$126,636
Solar Lighted Stops	LCTA	\$42,000	\$8,400	\$33,600
Fare Equipment	LCTA	\$40,000	\$8,000	\$32,000
